## Accessibility Plan 2022 - 2023: Chulmleigh College

## **Aims and objectives:**

Our aims are to:

- Increase access to the curriculum for pupils with a disability
- Improve and maintain access to the physical environment
- Improve the delivery of written information to pupils

| Aim                        | Actions                                      | Review/Lead           | Success Criteria   |
|----------------------------|--|-----------------------|--|
| Increase access to the     | Weekly meeting between SENDCo SEND           | Termly                | SEND Team are well informed about students with a disability and           |
| curriculum for pupils with | team and TAs to share information            | KD/CR                 | receive timely updates.  |
| a disability               |  |                       | TA Team access appropriate CPD as required and this is disseminated to     |
|                            |  |                       | the team.  |
|                            |  |                       | Pupil passports are updated and staff notified and uploaded to pupils file |
|                            | Highly skilled team of HLTA/ TAs             |                       | on Provision Map   |
|                            |  | Annual                | Up to date HCP in place for all pupils as required and shared as required. |
|                            |  | KD/JP                 |  |
|                            |  |                       | Visual timetables are displayed as required for identified pupils          |
|                            | Buril assessments to inform staff of student |                       | Mall askablish ad galatic galaina with gastasaina da wadina with a warnin  |
|                            | Pupil passports to inform staff of student   | Ongoing               | Well established relationships with professionals working with our pupils  |
|                            | disability                                   | Ongoing<br>CR and PSO | and families.  |
|                            |  | CR allu P30           |  |
|                            |  |                       | Staff are updated with HCP of pupils within the college. Needs and         |
|                            | Medical Care Plans to inform staff of        |                       | support are clear and staff have a channel of communication to ask         |
|                            | student disability                           | Ongoing               | questions and seek advice.   |
