

## CAT Data Retention Schedule

Chulmleigh Academy Trust (CAT) recognises that by efficiently managing its records, it will be able to comply with its legal and regulatory obligations, in particular, demonstrating compliance with GDPR and to contribute to the effective overall management of the institution.

Records provide evidence for protecting the legal rights and interests of the Trust, and provide evidence for demonstrating performance and accountability. This document provides the framework through which this effective management can be achieved and audited. It covers:

- **Scope**
- **Responsibilities**
- **Relationships with existing policies**

Please be aware that this schedule applies to all types of record, be they paper or digital.

### **1. Scope of the schedule**

1.1 This schedule applies to all records created, received or maintained by staff of the Trust in the course of carrying out its functions.

1.2 Records are defined as all those documents which facilitate the business carried out by the Trust and which are thereafter retained (for a set period) to provide evidence of its transactions or activities. These records may be created, received or maintained in hard copy or electronically.

1.3 A small percentage of the Trust's records will be selected for permanent preservation as part of the institution's archives and for historical research. This should be done in liaison with the County Archives Service.

### **2. Responsibilities**

2.1 The Trust has a corporate responsibility to maintain its records and record keeping systems in accordance with the regulatory environment. The person with overall responsibility for this schedule is the Head Teacher.

2.2 The person responsible for records management in the Trust will give guidance for good records management practice and will promote compliance with this schedule so that information will be retrieved easily, appropriately and in a timely way. They will also monitor compliance with this schedule by surveying at least annually to check if records are stored securely and can be accessed appropriately.

2.3 Individual staff and employees must ensure that records for which they are responsible are accurate, and are maintained and disposed of in accordance with the Trust's retention guidelines.

### **3. Relationship with existing policies**

This schedule has been drawn up within the context of:

- Freedom of Information Act

- Data Protection policy
- and with other legislation or regulations (including audit, equal opportunities and ethics) affecting the Trust.

#### **Safe disposal of records which have reached the end of their administrative life**

1. Disposal of records that have reached the end of the minimum period allocated

The General Data Protection Regulation (GDPR), in force since 25 May 2018, requires CAT to retain personal data for **no longer than necessary for the purposes for which it is processed**. To comply with this requirement a retention schedule (below) has been drawn up which specifies the length of time that records are to be kept. Records are to be regularly reviewed to ensure compliance with this schedule so that it can be determined if the records are to be destroyed or kept. Whatever decisions are made they need to be documented as part of the records management policy within the Trust.

2. Safe destruction of records

All records containing personal information, or sensitive policy information should be made either unreadable or impossible to reconstruct.

- Paper records should be shredded using a cross-cutting shredder
- CDs / DVDs / Floppy Disks should be cut into pieces
- Audio / Video Tapes and Fax Rolls should be dismantled and shredded
- Hard Disks should be dismantled and sanded

Any other records should be bundled up and disposed of to a waste paper merchant or disposed of in other appropriate ways.

CAT will maintain a list of all records which have been destroyed and who authorised their destruction. This record will include the following:

- File reference (or other unique identifier)
